

Become a Volunteer Clinician!

“
It is deeply satisfying to work with my client over the years, to bear witness to her courage, resilience and determination.

How Does It Work?

- 1. Donate** one pro bono session per week to a client who has experienced foster care.
- 2. Learn** with colleagues and experienced clinicians through AHW consultation groups.
- 3. Access** free Continuing Education through our robust CE program and home study library.
- 4. Connect** with a caring community of like-minded clinicians through a local AHW chapter and nationwide events.
